

Best Paper Award

- ***“RUL Estimation for Package Failure of Power Electronic Devices Using Integral Mean of Precursor Signal”***

Author: Zhonghai Lu (KTH Royal Institute of Technology),
Chao Guo, Pol Ghesquiere, Kai Kriegel, Gerhard Mitic

- ***“Deep Learning-Enabled Statistical Model Estimation for Power Transformers with Censoring and Truncation Problems”***

Author: Jiaxiang Cheng (Nanyang Technological University),
Sungin Cho, Yap Peng Tan, Guoqiang Hu

- ***“Extracting Broken-Rotor-Bar Fault Signature of Varying-Speed Induction Motors”***

Author: Dehong Liu (Mitsubishi Electric Research Laboratories) ,
Anantaram Varatharajan, Abraham Goldsmith
